Consensus Guidelines

1. Do not overestimate your own opinion *avoid arguing for your own solution*
2. Do not underestimate your own opinion *don't change your mind to avoid conflict*
3. Ensure others are listening to your point *but only until they know what you believe*
4. Be willing to disagree *avoid "Group Think"*
5. Manage conflict constructively *goal not to win--find best solution*
6. Seek out areas of disagreement *these are areas of new insights*
7. W.A.I.T. (**W**hy **A**m **I** **T**alking) *listen carefully to other's views*
8. Respect one another's views
9. Stay curious
