

DISCUSSION DAY 1 (Wednesday Nov 29)

8: 30 Welcome & Introductions

- Agenda Approval

Mandatory Continuing Dental Education (NSDA/DAPEI)

1. Content evaluation, trends, recognition of credits etc. – Exploration of best practices
2. Possibilities for national standardization of Required Continuing Education Credits
With the move toward online digital learning, can the provinces develop a national system of recognizing CE the same way?

Insurance Providers

1. Audits – Status report on audits by insurance companies
2. Draft of best practices for claims validation (originated from CDA April Pres&CEO meeting)
3. Sunlife portal – Does this type of program fall under illegal promotional activities in the provinces?
4. CHLIA – Is the relationship working to the advantage of the dental profession? (DAPEI)
5. NIHB – Update (DAPEI/CDA)
6. Food and drink – diets vs dentistry – Is the focus in the wrong place? (DAPEI)

Corporate models of dentistry

1. 123 Dentist expansion plans (NSDA)
2. Does a corporate model have benefits to the dentist and/or patients? What do members need to know and how do we support them? (DAPEI)
3. Fee guides – Status report on the USC&LS; Where are they going? (DAPEI/CDA)

4. The identification of future dentists (the revamp of the DAT) (CDA/NDEB)
Schedule (/) Agenda & Reports (/agenda--reports.html) Social Information (/social-information.html)

ROUNDTABLE PART I

Ground Rules (/ground-rules.html)

About the Hotel (/about-the-hotel.html)

Other activities (/other-activities.html)

DISCUSSION DAY 2 (Thursday Nov 30)

8:30 GUEST SPEAKER: Dr. Claudio Miro, Florida Board of Dentistry (Chair, Anaesthesia Committee): Florida's guidelines on dental in-office patient safety, mandated airway management training and anaesthesia regulation.

Here is a recent story about Florida's sedation regulations: <http://www.wftv.com/news/9-investigates/9-investigates-board-of-dentistry-considers-changes-to-conscious-sedation-policy/648143507> (<http://www.wftv.com/news/9-investigates/9-investigates-board-of-dentistry-considers-changes-to-conscious-sedation-policy/648143507>)

10 am - Break

Government

1. Healthcare regulation: What should we be paying attention to? (DAPEI)
2. Taxation issues – Government relations and the role of advocacy in the dental profession (DAPEI)
3. Proposed federal tax on private corporations – next steps (BCDA)
4. Update from CDA on Safety Code 30 revision (BCDA)
5. CDA conventions in smaller provinces –
 1. CDA involvement / Promotion/
 2. Update on CDAPEI2018 (DAPEI)

CDSPI
