

## CDSS Registrar Painting Policy

### A. Historical

The College of Dental Surgeons of Saskatchewan (CDSS) has a long-standing tradition of honoring the Registrars with a custom commissioned portrait painting.

Current portraits on display at the College office:

- a. Dr. L.J.D. Fasken, 1907-1957
- b. Dr. F.R. Smith, 1957-1974
- c. Dr. G.H. Peacock, 1974-2004
- d. Dr. B. White, 2005-2020

### B. Criteria

The subject of the painting must be a Registrar of the College, in good standing at the time of their departure from the CDSS and having served as Registrar of the College for a minimum of ten (10) years.

Council, at their discretion, may consider the approval of a painting commissioned, or photo hung at the College office, should the Registrar leave in good standing *less* than 10 years due to extenuating circumstances.

### C. Executive Director Responsibilities

The Executive Director shall be responsible for procuring the artist to complete the painting project and approved at their discretion.

The painting shall be hung in an appropriate location within the current office of the College of Dental Surgeons of Saskatchewan.

### D. CDSS Asset

The "Registrar painting" will be the sole property and asset of the College of Dental Surgeons of Saskatchewan, until deemed otherwise by resolution from Council.
