Guiding Principles:

CDSS is a dental regulatory body that regulates dentists 'by the right of the Minister of Health', Government of Saskatchewan, via the Dental Disciplines Act (1997). This is to say the Government delegates, through legislation, the responsibility to the CDSS to license and regulate dentists in Saskatchewan 'in the public interest'.

Vision:

Safely serve the public.

Mission:

License new entrants. Regulate registrants. Provide continuous education. Implement current best practices.

Values:

Safety. Integrity. Professional. Fulfilling.

Land Acknowledgement:

The College of Dental Surgeons of Saskatchewan acknowledges that we operate on Treaty 6 territory and additionally act in the public's interest on Treaty 2, 4, 5, 8 and 10. We acknowledge the truth of our past, its place in our present and the ongoing impact it has on our future.

March 25th, 2024, Council Meeting

In person: SBCC Room 2, Double Tree Hotel, Regina SK

Attendees: Drs. Raj Bhargava, Mike Fowler, Michael Koskie, Erika Ridgway, Kevin Saganski, Derek Thiessen, and Wes Thomson; Don Robinson, Gord Wyatt, Gord Gillespie, Jaime Korczak, and Jessica Gunn.

Regrets: Dr. Kabir Viridi

Commenced 8:31 a.m.

Guest Speakers:

[Dr. Heather Carr – CDA President](#)

[Presentation for Hon. Hindley](#) – Drs. Derek Thiessen, Dean Zimmer, Raj Bhargava

After the presentation Hon. Hindley discussed further details on the CDCP and mentioned not wanting to disadvantage people who rely on existing provincial programs and does not want to shut these programs down. Accordingly, they have not signed anything with the federal government regarding the CDCP. He was interested to see our stance on the CDCP. Dr. Thiessen suggested that the provincial government

could stretch their dollars for these existing programs further if it were to supplement the discrepancies from the CDCP Fee Guide and the CDSS Fee Guide, to hopefully save the province money while increasing access to care. Hon. Hindley also provided the CDSS with a point of contact at the Ministry to further discuss the Hospital Dentistry (GPR Program), Community Clinic and Long-Term Care proposals suggested and discussed by Dr. Bhargava.

Action Item: Send Hon. Hindley the Saskatchewan CDCP Pulse Survey results, National CDCP Pulse Survey results, and background information on Hospital Dentistry.

Opening remarks - President

Dr. Thiessen welcomed the group and thanked everyone for being there. Derek then discussed how himself and Jaime have continued to attend many meetings with the CDA, other PTDA presidents and CEO/EDs and Health Canada to advocate for a well run CDCP that works for both the dentists and the patients. They are continuing their efforts with a unified voice across the country. There are works on a National Media campaign with the PTDA's and CDA to get the correct information to the public.

Discussion items

1. Neuromodulator Standard – Dean Zimmer- current standard [link](#) - Position Statement [link](#)
Leave as is for now and revisit if issues arise.
2. Buying a Practice Inquiry – Dean Zimmer
Dean to leave that a clinic can be owned by a non-dentist, but they could not employe (a) dentist(s), in the bylaws updates being sent to the ministry. And see if anything further comes for the purposed Umbrella Legislation.
3. Dentist relationship with patient – Dean Zimmer
Action Item: Registrar to work wording regarding relationships with patients into other standards.
4. Knowledge Skills Abilities Standard - Dean Zimmer - [link](#)
Action Item: Dean to discuss with other Registrars if this should be public or internal. Add to appropriate website.
5. Right Touch Regulation - Dean Zimmer - [link](#)
Action Item: edit for SK then add to council website.
6. License Renewal Questions for Statistics - Dean Zimmer - [link](#)

Motion to add any required questions from Canadian Institute for Health Information to our license renewal forms:

Moved: Derek Thiessen	Seconded: Raj Bhargava	CARRIED
------------------------------	-------------------------------	----------------

Action Item: Add to license renewal questions for 2025.

7. Criminal Record Check - Dean Zimmer
Action Item: Send an eblast to members saying they can send their Criminal Record Check to us at any time for their 2025 license renewal, and that a copy is acceptable.
8. Dental Disciplines Act Section 25.3 - Dean Zimmer - [link](#)
9. Dental Disciplines Act Section 31 - Dean Zimmer - [link](#)
10. Automated External Defibrillators - Dean Zimmer
Action Item: Dean to add requirement for AED in all clinics when updating the Facility Standard.

11. Profiting on Products - Dean Zimmer

It was decided this is not up to us to regulate this.

12. CDCP Update and [pulse survey](#) - Derek Thiessen and Jaime Korczak

Derek joined the meeting minister Holand conducted at PDC virtually where Minister Holand mentioned they would remove the registration process but then later took that back. Currently waiting for more details from the government, but SK members/CDSS have had 3 townhall meetings that have been successful. The PTDA's and CDA have been working on a national media campaign to educate the public better on the facts of the CDCP. SK portion of this cost would be around \$6,000. The CDSS current tactic is to try to get members to delay sign up so that we have more bargaining power, as the program will not succeed without the dentist's support. The SK Denturists Association have similar concerns.

13. CDA Relationship - Derek Thiessen and Jaime Korczak

Jaime, Derek and Mike are going to the CDA AGM in Toronto in April. They are currently keeping a close eye on our CDA representative, Brain Baker, to make sure his goals align with council's goals. The CDA seems to be more supportive of the public and government rather than the dentists during the CDCP discussions.

Action Item: Meet with the CDSS CDA representative more often.

14. Umbrella legislation update - Dean Zimmer and Jaime Korczak

The government has delayed this until the fall.

15. 2025 AGM Dates – Jaime Korczak

It was discussed moving to AGM date to Spring (April or May) as new Legislation will implement this in the future. We would have to shorten or lengthen all of council's terms including the President, President-Elect, and Vice President's, and committee members terms. It was suggested that with everything going on it might be nice to extend Dr. Thiessen's terms as president for some stability, if he is willing.

Action Item: Management to put together a proposal and provide to council.

Future Council dates were decided as follows:

- June 7th & 8th, 2024, @ Dakota Dunes
- September 21st, 2024, AGM @ Conexus Centre in Regina
- October 24th & 25th, 2024, in Saskatoon
- January 10th & 11th, 2024, in Saskatoon – dependant on White Coat Ceremony date
- April 4th & 5th, 2025, in Regina – dependant on potential AGM date change

Action Item: Send dates to council members and update council website.

Round Table - Chair

Closing Comments - President

Adjournment – 12:23

Motion to adjourn:
