Subject: Resignation

Thank you for our in-person meeting today. I appreciate your latitude as we coordinated schedules.

Albeit I have provided to the best of my professional capacity independent thought, due diligence, integrity and my professional acumen to the table of the Council for the College of Dental Surgeons of Saskatchewan, I am cognizant of significant cultural differences that are deemed counter-productive. As such, it is in the best interest of both parties that I resign my position as Public Representative with the College of Dental Surgeons of Saskatchewan that Executive Council may expediently appoint another Public Representative for efficient transition.

I ask that you please record this email in official record within your next Minutes of Meeting, with my appreciation and best wishes to Council, Jaime and her staff team.

In process, I shall advise Executive Council, from which I was appointed by Order in Council, of my regrets and notice of resignation. I shall submit my updated expense report, for administrative closure.

Our role as Public Representatives carry a higher level of accountability, while governing

with the same powers and responsibilities as the Boards to which we have been appointed. It has been a privilege to serve the people of Saskatchewan in this capacity. I stand by the integrity within which I have discharged my duties during this time, and offer well-wishes as you steward through times of change, and in accountability.

Silvia Martini, SOM, C.Dir., PSGov, EBAC, BAC
