Subject: Legal Risk Update for Fall Council Meeting Agenda Item

Legal Risk Update From Sean Sinclair:

Lee – Dr. Lee has signed an undertaking not to practice pending the resolution of his criminal case. We have held the PCC’s investigation in abeyance. As this stage, I do not believe that there is any work to be done, unless circumstances have changed.

Neuromodulator – I have heard nothing further from the College of Physicians and Surgeons.

Rizvi – We are in the process of setting dates for mediation, which I expect will occur in October or November. The SHA has sought the dates for mediation. Dr. Rizvi has not responded.
