

Human Resources Committee Report to Council for Spring Council Session March 2023

The last few months brought about the final staffing changes and hires by Jaime and Gord at the CDSS office and they have kept the HR Committee fully apprised along the way.

In early March the CDSS and our Registrar Dr. Gerry Uswak officially parted ways. The HR Committee is currently reviewing the Registrar Terms of Reference and associated materials in anticipation of a national posting for the now vacant position of Registrar. More updates will be forthcoming as this progresses.

Yours truly,

Aaron
